A NEW VENTURE TO SHOWCASE
•••• COLLINGWOOD'S RICH PAST ••••

The Collingwood Museum and the Collingwood & District Historical Society (CDHS) are launching a new partnership program that brings together the Society, the Museum, the Collingwood Public Library, and history students from Collingwood Collegiate Institute (CCI).

This unique program is designed to foster awareness in, and an appreciation for, Collingwood's rich history through the production of audiovisual vignettes by local high school students for academic credit.

You are invited to become a *Patron of Collingwood's Heritage* and advocate the importance of Collingwood's history to local youth, residents, and visitors alike!
